*Develop, improve, promote and increase opportunities for the public by
advancing education, experience and enjoyment.*

The Petrified Forest is a unique environment. Back country hiking involves exposure to sun, elevation, heat, wildlife, scrubby or slippery terrain and no marked trails. For your safety and to help us prepare for the best possible experience for you please provide the following information:

Name and Date of class _____

Name _____

Address _____ **Phone** _____

_____ **Date of Birth** _____

Emergency Contact _____ **Phone** _____

Relation to you _____

Please list any allergies (medication, food, bites, stings)

What would an emergency responder need to know?

Medical conditions (diabetes, heart condition, epilepsy, etc.)

Medications and Dosage (blood thinners, insulin, etc.)

In the event of an emergency, this information could be crucial in obtaining timely care. Please include any information that may be helpful. This information will not be shared with anyone other than your course instructor and emergency personnel should the need arise.
